1 IN 3 AMERICAN ADULTS
HAVE HIGH BLOOD PRESSURE

Only about **1/2** of people have
their condition under control*

TAKE ACTION TO IMPROVE HEART HEALTH

Blood Pressure Self-Monitoring Program
YMCA of Greater Montgomery

The simple process of checking and recording your blood pressure at least twice a month over a period of four months has been shown to lower blood pressure in some people with hypertension.

Blood Pressure Self-Monitoring is an evidence-based program that features personalized support for developing a blood pressure self-monitoring routine, tips for maintaining cardiovascular health and nutrition education.
