

Alabama Obesity Task Force Membership Application

Mission Statement:

“Working toward prevention and reduction of obesity for a healthier Alabama”

Purpose Statement:

“The State Obesity Task Force works to address overweight and obesity issues through advocacy, policies, environmental changes, and programs that support healthy lifestyle changes.”

Welcome to the Alabama Obesity Task Force. We are delighted that you are interested in joining our efforts. The strength of the Task Force comes from our members and the experience they share. To help maintain a membership data base and learn more about your interests, please complete the following information:

Name: _____

Employment, location and discipline: (for example, AU - Pharmacist, Cullman High School - science teacher, private practice - RN, etc.)

Email address (our correspondence is via email): _____

Day phone number (include area code): _____

Please check your area(s) of interest:

Action for Healthy Kids – School based initiatives

Advocacy – Lead & identify local & state advocacy issues to support OTF goals

Community – Healthy environments and worksite wellness

Communications – Enhance OTF efforts through communication

Data, Research, & Evaluation – Interpret information & identify trends

Food Systems – Sustainability, availability, accessibility & affordability issues

Health Care Providers – Work with the medical community to address obesity

Membership Committee – Recruit members and help keep members involved

Student Engagement – Mentoring college age leaders

Talents you are willing to share, such as: writing, speaking, organizational skills, computer skills, meeting sponsorship, etc.
