

****IMPORTANT INFORMATION REGARDING PDMP SOFTWARE CHANGE****

Tuesday, December 12, 2017, the Alabama Prescription Drug Monitoring Program is scheduled to change its database software system to the Appriss PMP AWARxE system.

In PMP AWARxE, the username will be an email address and **each user *must* have a unique user name (email address)**. You should know that **any accounts that share the same email address will NOT be transferred to the new system.**

If your account is not transferred, you will have to submit a new registration application and wait for your account to be approved by the state administrator.

Important Dates to Remember (all dates are subject to change)

November 08, 2017 – Appriss will send first round of communication to *requestors (practitioners) and data submitters (pharmacies and dispensing prescribers)*

November 13, 2017 – Appriss will send second round of communication to *requestors (practitioners) and data submitters (pharmacies and dispensing prescribers)*

November 14, 2017 – **All users submitting data (pharmacies and dispensing prescribers) must begin registering with the Appriss Clearinghouse**

November 27, 2017 – **ALL ACCOUNT UPDATES MUST BE COMPLETED BY CLOSE OF BUSINESS**

December 11, 2017 – Appriss will send third round of communication to submitters. **This is the last day submitters (pharmacies and dispensing prescribers) will be able to send data to existing software.**

December 12, 2017 –If your account is successfully transferred to the new system, you will receive an email notification with details about the new website, including log-in information and a guide for how to run a patient search.

How to access the PDMP Database
