#### **Dale County Health Department to hold groundbreaking**

#### **FOR IMMEDIATE RELEASE**

CONTACT: Marilyn Dean  
(334) 774-5146

The Dale County Health Department will hold a groundbreaking ceremony for its new facility in Ozark. The ceremony will be held on Tuesday, Dec. 12, at 10 a.m. at the Ozark-Dale County Public Library, West Wing Meeting Room, 416 James St., Ozark. Then attendees will reconvene to the site of the new building at 544 W. Roy Parker Road to break ground for the new structure.

The state-of-the-art building will be engineered to meet both today's and tomorrow's community needs. The building will include a community room.

State Health Officer Dr. Donald Williamson said, "I am happy to see the dream of improved public health facilities becoming a reality in Dale County as it has in many other counties in the state. This facility should serve the public well for years to come."

This special event is made possible through the cooperative support of the City of Ozark in providing the property for the facility and the Alabama Public Health Care Authority in providing the funding for the construction.
